Notice Regarding Revision of Dividend Forecast

Sumitomo Rubber Industries, Ltd. (the "Company") announces that it has revised the dividend forecast for the fiscal year ending December 31, 2026 announced on August 6, 2026 as follows.

1. Revision of Dividend Forecast

(1) Revision of Dividend Forecast for the Fiscal Year Ending December 31, 2026

	Annual Dividend per Share				
	End of Q1	End of Q2	End of Q3	Year-end	Total
	Yen	Yen	Yen	Yen	Yen
Previous Forecast (Announced on August 6, 2026)	—	42.00	—	42.00	84.00
Revised Forecast	—	42.00	—	39.00	81.00
Actual Results for FY 2025 (Reference)	—	35.00	—	42.00	77.00

(2) Reasons for Revision of Dividend Forecast

We regard shareholder returns as one of our highest management priorities. Accordingly, our basic policy is to ensure a long-term, stable stream of shareholder returns, targeting from 2026 a consolidated dividend payout ratio of 40%+ and a dividend on equity (DOE) of 3%+.

In light of the revision to the annual consolidated financial results forecast for the fiscal year ending December 31, 2026, we have also revised our year-end dividend forecast to 39 yen per share and our annual dividend forecast to 81 yen per share.

(Note) The forecasts and other forward-looking statements herein are based on certain assumptions made in light of the information currently available to the Company and its group companies (collectively, the "Group") at present, and do not constitute any promises by the Company that they will be realized. Actual results may differ significantly from these forecasts due to changes in various factors surrounding the businesses of the Company and the Group.
